The goal at Ring's Island Marina is to provide you with the best boating experience available. We provide you with a full time Dockmaster and the owners of the marina are always available to serve you. We are on the quieter side of the river both in terms of noise and a lighter current. Our close proximity to the end of the "No Wake" zone means you can get out of the river faster than any other facility.

Ring's Island Marina hosts many social events during the boating season. We hold a Striper Fishing Tournament as our annual fundraiser for the Yankee Homecoming Fireworks. We also have many cookouts during the year. The largest party is the Annual Pig Roast in August. Our September party is a clambake with a bonfire. These events are well attended and the marina community makes them all enjoyable.
